FOR IMMEDIATE RELEASE

Pediatric Home Service Named a Top 100 Minnesota Workplace
One of 12 to receive additional award recognition

St. Paul, Minn. – Named the third best mid-size company, [Pediatric Home Service](#) (PHS) has been recognized for the fourth year in a row in the Star Tribune's fifth annual ranking of the top 100 Workplaces in Minnesota. The company also received additional, special recognition as the recipient of the Meaningfulness Award.

Top Workplaces recognizes the most progressive companies in Minnesota based on a confidential employee survey measuring engagement, organizational health and satisfaction. Employees of the winning firms reported feeling valued and cited having great benefits, corporate philanthropy, community sponsorship and celebratory parties as perks.

The Star Tribune also awards 12 of the top workplaces with special recognition based on employee reporting. PHS employees specifically reported having a special impact through their jobs – a meaningfulness solidifying the company's 10 year average employee retention rate.

Mark Hamman, president of Pediatric Home Service, said receiving the meaningfulness award was a great honor for the company. "Our employees come to work each day ready to achieve an incredible mission – ensuring children with medical complexities are able to thrive at home. I know how important each of our employees is to this company, and receiving the meaningfulness award highlights the fact that they also know the difference they are making in the lives of the families we care for."

The 2014 analysis included responses from over 58,600 employees at Minnesota public, private and nonprofit organizations with 50 or more employees.

Pediatric Home Service is recognized at www.startribune.com and in a special print section of the Star Tribune. The company also received an online profile at topworkplaces.com.

About Pediatric Home Service

Based in St. Paul, Minn., Pediatric Home Service is an independent pediatric homecare company that helps children with medical complexities and technology dependencies live safely and successfully where they're most comfortable, at home with their families, rather than in a hospital. Pediatric Home Service has been partnering with health care professionals and family caregivers for more than two decades to deliver compassionate, specialized, high-quality care to children with special medical needs.
