PHS Education Videos with Spanish Subtitles

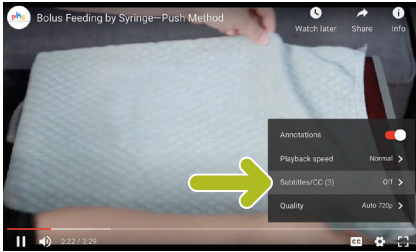

We have a number of free How-To videos available online for our families and partners to access at any time. These videos have Spanish subtitles. To view the videos, visit www.PHSTipsEspanol.com. Follow the steps below to see the Spanish subtitles.

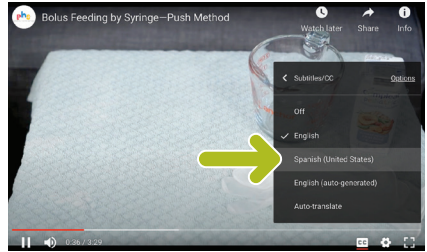

1 Select the Play symbol to play the video.

2 Select the Gear icon in the lower right of the video screen.

3 Select 'Subtitles/CC'.

4 Select 'Spanish (United States)'

5 Select the Gear icon

The Spanish subtitles should now be displaying on the bottom portion of the video screen.
