

Pediatric Dietitian Contact List

Use this list to find a feeding clinic, eating disorder treatment center, ketogenic diet service, or general outpatient nutrition service. The clinics listed are suggestions based on location and services provided.

Minnesota

Feeding Clinics

Feeding clinics offer an outpatient, multi-disciplinary approach for evaluation of feeding difficulties. The multi-disciplinary team consists of many individuals including a combination of the following clinicians: speech language pathologists, dietitians, occupational therapists, nurse practitioners, and psychologists (as needed).
