#### Pediatric Home Service Expands To Serve Children Throughout The State of Iowa

**September 6, 2022 (St Paul, Minnesota)** – Pediatric Home Service, PHS, announces today the expansion of its service offerings to the state of Iowa. This new location expands the coverage of their pediatric-focused home health care services in the Midwest, adding to its national footprint.

“We are on a mission to bring high-quality comprehensive services to children with medical complexities across the United States. We are proud to be expanding further to serve children with respiratory therapy, clinical nutrition, and infusion therapy needs,” said Adam Nielsen, CEO of PHS. “With this opening in Iowa, we now able to serve children and families throughout ten states. We are excited about what this means for the care of children in their homes.”

The Des Moines location will offer respiratory therapy and equipment, with high-tech respiratory care provided by neonatal pediatric specialists, and infusion nursing & pharmacy service. The PHS operational and clinical team will also support enteral nutrition, ensuring that each individual care plan is safely carried out in the home setting.

As an independent health care company, Pediatric Home Service works closely and seamlessly with health care providers, patients, their families, and payers so that children requiring advanced respiratory care or enteral nutrition can successfully and safely succeed at home.

“We are looking forward to bringing comprehensive services to Iowa for this important population” said Becki Long, PHS VP of Operations for MN, WI and IA. “Our services meet the varying and unique needs of each child. Through our Des Moines branch we will be able to reach the full state and help children safely transition home where they can live the fullest life possible with their families.”

PHS began accepting patients on August 15th, 2022. The office is located at 1955 NE 58th Ave. Suite 301 Des Moines IA 50313 and can be reached at 515-216-4747.
